Dear Ms. Pokorny and team,

I wish to personally thank you for your thoughtful donation of toys. Putting smiles on the faces of the children we see makes a huge difference towards helping them through their recovery.

Your generosity and thoughtfulness are greatly appreciated in helping make a sometimes frightening experience a little easier for a sick or injured child to go through. Thank you for helping to make the hospital a better place!

Should you have any questions please call me at my direct line at 204-787-4400 or by email at [dmendez@hsc.mb.ca](mailto:dmendez@hsc.mb.ca).

Sincerely,

Diana Mendez
