Dear Brothers and Sisters,

Let's celebrate our United Way and Labour partnership!

On Friday, November 7, 2014, please join us at Red River College Roblin Centre for United Way's Report Session 2. It's a chance to celebrate our city's Labour community and determination in creating lasting change and better lives for all Winnipeggers, in the workplace and beyond.

Connect with friends and colleagues who, like you, contribute to the never-quit and can-do attitude in our city. Registration and breakfast begin at 7:30 am. We'll also give you an update on early progress in our 2014 campaign.
